 Know the Rules. Ride Safe.   

May is Bicycle Safety Month, and the Lathrop Police Department is taking action to help keep our youth safe.

We're seeing an increase in preventable collisions involving bikes, e-bikes, and scooters—and we want to change that.

Join us for a FREE, hands-on safety class designed for school-age children and their parents.

 Led by Lathrop Traffic Officers
Short educational session
Real-life riding scenarios
Helmet fit & safety
Optional device registration to help recover stolen bikes

This isn't just a class—it's about giving kids the awareness and skills they need to make safe decisions on the road.

 Saturday, May 16
