

## Bike Safety Post

---

From Gabrielle Johnson <gjohnson@ci.lathrop.ca.us>

Date Wed 5/13/2026 3:08 PM

To Tracie Shea <tshea@ci.lathrop.ca.us>

Cpt. Shea,

Here is a possible post for the bike safety class. By wording it that the 11:30 AM – 1:00 PM session currently has availability, and that session availability is based on registration, we can communicate the possibility of consolidation without directly stating the session may be canceled.

Current registration numbers are:

- 10:00 AM – 11:30 AM: 4 registered
- 11:30 AM – 1:00 PM: 2 registered

I also confirmed my login to monitor registration status through the Coach Instructor portal.

   Know the Rules, Ride Safe – Youth Bike & E-Ride Safety Class 

The Lathrop Police Department is continuing registration for our upcoming youth bike, e-bike, and e-scooter safety class. Spots are filling in our 10:00 am - 11:30 am session. Our additional 11:30 AM – 1:00 PM session currently has availability for interested families.

This interactive class gives youth riders and parents the opportunity to learn together about:

- Rules of the road and rider responsibilities
- Safe riding habits and helmet safety
- Real-life riding scenarios and decision making
- Bicycle, e-bike, and e-scooter laws within our community

Participants will learn directly from Lathrop Traffic Officers through classroom instruction and hands-on outdoor practice using their own riding devices.

This program is designed to support youth safety, increase rider awareness, and help families better understand the laws and expectations that come with operating bikes, e-bikes, and e-scooters in public spaces.

 Lathrop Police Department

940 River island Pkwy

Lathrop, CA 95330

Session Available: 10:00 AM – 11:30 PM

Additional Session Available: 11:30 AM – 1:00 PM

⚠ Pre-registration is required.

<https://lathrop.recdesk.com/Community/Program/Detail?programId=6012>

<https://lathrop.recdesk.com/Community/Program/Detail?programId=6013>

**Session availability is based on advance registration.** No walk-ins will be accepted.

📌 Helmet and personal riding device required

We encourage families to take advantage of this free community safety program and help build safer riding habits for our youth.
