FYI, Bike registration stickers (100) have been purchased, and Cpt Shea has given Angelina the amazon order for bike helmets.

Subject: Final Draft Ride Safe

Sgt Ly,

I have updated the social media flyer to reflect the new session times. Once we get an answer from OTS on which version they approve these will be ready. The social media post before reflects some edits to include OTS's # and Bicycle Safety Month. I also included the Registration links both the expanded url and the hyperlink for social media posting.

 Know the Rules. Ride Safe.   

May is Bicycle Safety Month, and the Lathrop Police Department is taking action to help keep our youth safe.

We're seeing an increase in preventable collisions involving bikes, e-bikes, and scooters—and we want to change that.

Join us for a FREE, hands-on safety class designed for school-age children and their parents.

 Led by Lathrop Traffic Officers
Short educational session
Real-life riding scenarios
Helmet fit & safety
Optional device registration to help recover stolen bikes

This isn't just a class—it's about giving kids the awareness and skills they need to make safe decisions on the road.

 Saturday, May 16

 Choose one session:

- 10:00 AM – 11:30 AM
- 11:30 AM – 1:00 PM
