Hello,

This email is a reminder that you or your child is registered for our bicycle and scooter safety class tomorrow, Saturday, May 16 from 11:30 am-1:00 pm. The class will take place in the Police Department Community Room and parking lot area at 940 River Islands Parkway. If you have not been to our building recently, please note that the public entrance is off Islanders Way near the newly completed park. Parking is available in the front of the building.

Participants will need a bike or scooter, helmet, and a parent or guardian if under 18. We will begin with an education/discussion portion in the classroom before heading outside to get hands-on practice with our Traffic team.

Thank you so much for partnering with us to keep make our roads safer for all.
